Upon checking three (3) references provided by Jordan Contractors Inc., for projects ranging from \$0.74M to \$2.4M in construction costs, from the positive responses and RJN's previous experience with Jordan Contractors, Inc., on similar projects for the City of Norman; RJN Group, Inc. finds Jordan Contractors, Inc., bid and qualifications to be competent to complete the project according to the construction documents.

RJN Group, Inc. recommends the Norman Utility Authority award the contract for the Woodcrest Interceptor Project to Jordan Contractors, Inc., in the amount of their bid of one million seven hundred twenty-five thousand seven hundred fifty dollars and zero cents (\$ 1,725,750.00).
