Body

BACKGROUND: On 26 July 2016, City Council approved Contract K-1617-5 with M & M Wrecking, Inc., in the amount of \$72,500, for the demolition of the Westwood Pool Complex.

This contract included the removal of the bath house/office building, slides and slide tower, pump/filter building and equipment, chemical building, junior pool and all pool decking. The pool shells for the deep pools will remain until the new aquatic contractor begins work on the site as filling and compacting of those areas will be the responsibility of the aquatic contractor.

DISCUSSION: On 25 August 2016, the site was inspected by City staff and the demolition and debris removal was found to be complete as per specifications. No partial payments have been requested during the demolition processes.

RECOMMENDATION: It is recommended that City Council, acting as Trustees of the Norman Municipal Authority accept the Westwood Pool Demolition Project as complete and authorize final payment in the amount of \$72,500 to M&M Wrecking, Inc.. Funding is available in Project NFB018, *Norman Forward* Westwood Family Aquatic Center, Construction (051-9404-451.61-01).
