Greenbelt Commission Final Comments - GBC 16-02  
Meeting of January 25, 2016

The Greenbelt Commission sends the application forward with the following comments:

1. The Greenways Master Plan identifies a high priority trail along Imhoff Road adjacent to this development. While this project will provide a 5 foot wide sidewalk adjacent to this development, a 275' gap to the east will remain. The Commission recommends the City construct the sidewalk gap.
