SUBJECT: Claim from David White

I am in receipt of a claim from David White in the amount of \$4,872.80 for damages to his vehicle due to his claim that on October 23, 2012, he was southbound in the inside lane behind Officer Adam Crane on Classen Boulevard when a Officer Crane made a u-turn in front of him striking his vehicle in the process. According to the police report Officer Adam Crane moved into the outside lane to make the u-turn and, in that process, pulled back into the inside lane striking Mr. White's vehicle. Mr. White's vehicle is currently being repaired, but since the vehicle was not drivable, he was unable to obtain three estimates.

Keith, I would appreciate your checking with your staff regarding verification of the problem. Please report your findings by written memorandum to me with a copy to Jeff.

Jeff, if it is determined the City has liability in this matter, please signify by writing a report of your recommendations in order that we may schedule this claim as an agenda item.
