

# Ruby Grant Park Inclusive Playground Norman, Oklahoma

**We invite you to join us, leave a legacy by GIVING THE GIFT OF PLAY**

Norman, Oklahoma prides itself on offering a vast variety of multi-generational programs, treasured greenspace and recreational facilities for our community to enjoy. Although all of our amenities meet ADA (American with Disabilities Act), we realize that there is a growing need for an inclusive play space that exceeds mandated standards.

With the help of local experts and national thought leaders, we have intentionally designed a destination play space to foster inclusion and unite children, families and community citizens through the power of play. Play is critical for the development, health, well-being, and social opportunities for all children and their families. Opportunities for meaningful play experiences are often limited for children with disabilities. Together we can change that.

An inclusive playground develops attitudes that promote understanding and teaches children the value of respecting differences. We believe that the new development at Ruby Grant Park is a perfect place for an inclusive playground that can create a deeper sense of community and connectiveness. We invite you to join us by giving the gift of play through a tax-deductible donation or sponsoring a piece of equipment. Your gift will provide years of joy, enrichment, daily required exercise and memories for the entire family.
