- Containers and appropriate preservation are certified clean and provided at "no cost" to the client.
- We have a standard 5 to 10 working day turn around time, from receiving the sample(s) to mailing of report.
- We can also email or fax reports, upon request noted on the chain of custody.
  
- Please contact me if you have any questions or comments.

Thank you for your interest in Accurate Labs.  
Sincerely,

Danny Chance, Technical Director
