MISCELLANEOUS DISCUSSION

36th Avenue S.E. and Cedar Lane. Mr. Bobby Stevens, Post Office Box 6226, said he hoped improvements would be made to Cedar Lane and 36th Avenue S.E. since the Wal-Mart rezoning had been approved because the traffic would increase.

Historical Marker Sign Down. Mr. Bobby Stevens, Post Office Box 6226, said the historical marker on 60th Avenue and East Highway 9 had been knocked down a few months ago and although he knew that this was a State Highway governed by the State of Oklahoma, he hoped it would be taken care of.

Street Light Down on Highway 9 and 108th Avenue S.E. Mr. Bobby Stevens, Post Office Box 6226, said a street light had been knocked down at the intersection of Highway 9 and 108th Avenue S.E. and requested that it be replaced.

Striping on Roads. Mr. Bobby Stevens, Post Office Box 6226, said Councilmembers Miller and Heiple had recently asked for increased striping in their wards and he appreciated that. He said he would like to see striping on Cedar Lane.

Wal-Mart Rezoning. Mr. Steve Ellis, 633 Reed Avenue, said that approval of this item had been disappointing. He said he had no problem with the proposal but there have been a number of proposals approved because they would create a fiscal benefit for the City. He said studies about the impact of big box retailers in various cities sometimes suggest that they can benefit a city but some studies show they do not. He said it would be very easy for the City of Norman to have a fiscal impact analysis prepared but it has not happened. He said it will be expensive to build the infrastructure and what is received in sales tax per year might not cover the costs needed.

Councilmember Castleberry said the \$9.8 million that is being spent on Cedar Lane has nothing to do with Wal-Mart. He said the citizens voted on widening Cedar Lane before the Wal-Mart application was submitted to the City. He said Council has committed to doing impact analyses in the future but unfortunately government moves slower than we would like it to and we are not quite there yet. He said there were tough decisions made tonight.

Councilmember Heiple said we may have the first bicycle-friendly Wal-Mart in the entire country which is good. He said this had been a difficult decision for him because his constituents were divided, half wanted the rezoning and half did not. He said it had affected him personally, because he had to give up his favorite bicycle route, Cedar Lane. He said in the final analysis, sales tax needs to increase without cutting services and personnel.

School Is Starting. Be Careful. Councilmember Lang reminded everyone that all of the schools will be starting; All Saints Catholic School had started today, and Norman Public Schools and the University of Oklahoma start next week. He asked that everyone please be careful.

Councilmember Holman said he lived near campus and it becomes very busy with a lot of traffic and urged everyone to proceed with caution while driving.

Thanks for Watching the Meeting. Councilmember Holman thanked everyone for their attendance at the meeting tonight and to those who watched at home.

Ward Five Meeting. Councilmember Miller thanked all of the citizens in Ward Five who attended the Ward Five Meeting on Saturday, August 9th, held at Fire Station No. 9 at 3001 Alameda Street. She said over 40 were in attendance and the handouts will be made available on the City website for those who did not get one.
