

AMENDMENT No. 1

TO AGREEMENT BETWEEN
AUTHORITY AND CONTRACTOR
FOR PROFESSIONAL SERVICES

This Amendment No. 1 is made a part of the Agreement dated September 4, 2014 between the Norman Utilities Authority (Authority) and PSC Environmental Services, LLC, a Stericycle Company (Contractor) for professional services associated with collection and disposal of household hazardous waste (HHW). The intent of this amendment is to increase the existing contact amount from \$75,000 to \$79,418.28.

Section 5.1 of said Agreement is amended and supplemented as follows:

5.1 Compensation Contractor shall provide all services in this Agreement at the unit prices stated in the Cost Proposal. Contract amount will not exceed \$79,418.28 unless agreed to in writing by Authority. Contractor understands that they will be paid for the actual pollutants collected, either cost per pound or cost per unit for each pollutant or wastestream collected. Contractor shall submit an itemized list of all pollutants collected, by weight and by container size, and multiplied by the specified unit price in the Cost Proposal for that wastestream.
