CONTRACTOR and AUTHORITY also recognize the delays, expense, and difficulties involved in proving in a legal or arbitration proceeding such actual loss. Accordingly, instead of requiring any such proof, CONTRACTOR and AUTHORITY therefore further agree that as liquidated damages for delay (but not as a penalty) CONTRACTOR shall pay AUTHORITY five hundred dollars (\$500) for each calendar day that expires after the time specified in preceding paragraph, plus any authorized extensions thereof, for completion and readiness for final payment of each portion of the Work.

Should any defective work or materials be discovered or should a reasonable doubt arise as to the quality of any work completed, there will be deducted from the next estimate an amount equal to the value of the defective or questionable work and shall not be paid until the defects are remedied. And that the CONTRACTOR'S bid is hereby made a part of this CONTRACT.

6) The AUTHORITY reserves the right to add to or subtract from the estimated quantities or amount of work to be performed up to a maximum of 15% of the total bid price.

7) The CONTRACTOR shall not undertake to furnish any materials or to perform any work not specifically authorized under the terms of this Agreement unless additional materials or work are authorized by written Change Order, executed by the AUTHORITY; and that in the event any additions are provided by the CONTRACTOR without such authorization, the CONTRACTOR shall not be entitled to any compensation therefore whatsoever.

In the event of ambiguity in any of the terms of this AGREEMENT, it shall not be construed for or against any party on the basis that such party did or did not author the same

9) That if any additional work is performed or additional materials provided by the CONTRACTOR upon authorization by the AUTHORITY, the CONTRACTOR shall be compensated therefore at the unit price bid or as agreed to by both parties in the execution of a Change Order.

10) No provision of this CONTRACT or of any such aforementioned documents shall be interpreted or given legal effect to create an obligation on the part of the AUTHORITY to third persons, including, by way of illustration but not exclusion, sureties upon performance bonds, payment bonds or other bonds, assignees of the CONTRACTOR, subcontractors, and persons performing labor, furnishing material or in any other way contributing to or assisting in the performance of the obligations of the CONTRACTOR; nor shall any such provisions be interpreted or given legal effect to afford a defense against any obligation owed or assumed by such third person to the AUTHORITY or in any way to restrict the freedom of the AUTHORITY to exercise full discretion in its dealing with the Contractor.

11) The CONTRACTOR shall furnish surety bonds and certificate of insurance as specified herein which bonds and insurance must be approved by the AUTHORITY prior to issuance of the NOTICE-TO-PROCEED and commencement of work on the project.
