Body

BACKGROUND: On March 12, 2019, City Council approved a contract with Givens Property Maintenance, LLC to provide abatement services related to mowing, securing of structures, and removal of health nuisances on private properties. Abatement work orders are issued

upon failure of the property owners to abate nuisances after notification by the City Code Compliance Inspectors. Section 1) B. of the contract allows for renewal of the contract for additional one-year periods at the option of the City. Fees for service remain unchanged.

DISCUSSION: The contractor, in response to a request for qualifications, submitted to the City in 2019, sealed qualifications in accordance with the terms of the Request for Qualifications. The City subsequently awarded the contract to Givens Property Maintenance, LLC. The contractor has performed well and in a timely manner upon issuance of work orders. There were 333 work orders issued in 2019.

The Code Compliance Division uses two contractors for abatements, and Givens Property Maintenance, LLC is one of the two abatement contractors utilized.

RECOMMENDATION: Staff recommends that based on the merits and performance of the contract requirements from contract approval to present, that Contract K-1819-124 with Givens Property Maintenance, LLC be renewed through amendment as a City of Norman mowing/securing/nuisance abatement contractor for the contract period April 1, 2020 through March 31, 2021. Funds are budgeted for nuisance abatement in Mowing Abatement (account number 10440152-44114).
