David Boeck, Chairman  
Norman City Planning Commission

Hi Dave,

We just want to put in writing our support for the Central Norman Zoning Overlay District. Ellen will be out of town on Thursday so cannot be at the Planning Commission meeting and may not be able to attend the June 13 City Council Meeting.

We think it is so important to preserve Central Norman. If the building frenzy near the Campus continues our core of old buildings and family homes will disappear. The restrictions put in the CNZOD will help prevent that from happening.

Thank you
