Re: Interstate Drive Reconstruction
Project No. 2021-10
Recommendation of Award

Dear Mr. Spencer:

A total of three (3) bidders submitted bid packages on Thursday October 8th, 2020. Bids were for the construction of Interstate Drive from approx. 360 feet south of W Robinson St to approx. 1,750 feet north of W Main St including asphalt paving, ADA compliant sidewalks/ramps, and grading. A-Tech Paving provided the lowest responsive bid for the project at a total cost of \$915,412.41. A summary of the bids is provided in the table below, and the detailed bid tabulation is attached.

BID SUMMARY

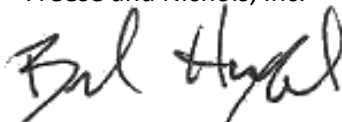

BIDDER	BID TOTAL
A-Tech Paving	\$ 915,412.41
Silver Star Construction Co.	\$ 1,264,700.00
Haskell Lemon Construction Co.	\$ 1,345,845.00
Engineer's Estimate	\$ 1,364,760.00

A-Tech Paving is located in Del City, Oklahoma. The bid total amount was lower than the Engineer's estimate of \$1,364,760.00 for the project.

The three (3) responsive bids were checked for errors and none were found. We therefore recommend the contract for construction of Interstate Drive be awarded to A-Tech Paving in the amount of \$915,412.41.

Sincerely,

Freese and Nichols, Inc.

Brandon Huxford, P.E.
