Subject: Planning Commission Agenda Item – 7
Southridge Historic District Overlay

The applicants for the Southridge Historic Overlay District were required to submit the same documentation as any other zoning application which includes: application form, signatures of supporting property owners of at least 51% of the land area proposed for the zoning request, and copies of the deeds for the zoning request area. Due to the land size of this zoning application request, the supporting documents are comprised of numerous pages. Therefore, the signature pages of supporting property owners and copies of the deeds have not been included in your agenda packet. However, these two sets of supporting documents are available in PDF format. If you wish to review them, please let staff know and we will make the PDF file available to you.

If you have questions or concerns, please contact me. I can be reached by email anaïs.starr@normanok.gov or at 366-5392.
