Re: Christian Brothers Addition
Norman, Oklahoma
SMC No. 5384.00

Dear Mr. McLellan:

The amount of sidewalk required to be bonded for the addition along Interstate Drive is shown below:

5' sidewalks.....575 L.F.
Length to be bonded.....575 L.F.

Bonded Amount:

5' sidewalks – 575 L.F. x \$12.50/L.F. = \$7,187.50
30' elevated across drainage structure \$5,000.00
Total sidewalk bonding is \$12,187.50
Use \$12,200.00

Sincerely,

SMC Consulting Engineers, P.C.

Tom L. McCaleb, P.E.
