Re: Donation to the City of Norman for Senior Center

Dear Ms. Hall:

I am a citizen of the City of Norman. I have a strong interest in and passion for the well-being of our senior citizens. For that reason I am making a donation to the City of Norman for a design or planning effort for new or additional Senior Citizen facilities in Norman.

I enclose a donation of \$5000.00 with this letter. Although there are no requirements for the use of these funds, it is my hope that they will be used by the City for the above stated purposes at such a time as the Norman City Council is ready to move forward with such a project. Please accept my donation and then keep me updated on the City's plans regarding planning and development efforts on senior citizen facilities as I may look for other opportunities to assist the City in these types of efforts in the future.

Thank you so much.
