1	It depends on what qualifies as "this neighborhood". I go to events at the library and events at lions park. I'm interested in any educational or art related events that are offered to the community.	2/27/2020 2:05 PM
2	I barely know any of my neighbors. In general i'd like to change that; however, one neighbor household is very weird, in way that's creepy rather than fun. If something is happening at Andrews Park, I usually go check it out.	2/25/2020 12:50 PM
3	Not a lot to do.	2/24/2020 9:26 AM
4	because I don't hear about the activities that are going to have	2/17/2020 9:50 AM
5	they are not any to participate in.	2/17/2020 8:55 AM
6	Not offered	2/17/2020 12:49 AM
7	Up until October 2019, I was employed in OKC and was too busy and exhausted to do anything in the neighborhood. Now, I'm disabled and retired. Walking and standing are difficult.	2/16/2020 3:37 PM
8	Most of the houses are rentals and people come and go	2/16/2020 10:18 AM
9	Not sure what activities there are.	2/16/2020 9:13 AM
10	There have never been any activities in which to participate.	2/15/2020 5:39 PM
11	The City doesn't allow too many activities to occur, most have been moved to the Legacy Park in the UNP, where there is no parking. Maybe to drive business out there. My neighborhood is a neglected portion of Ward 4	2/15/2020 5:08 PM

1	Anything related to science, culture, or the arts. It would be nice if the amphitheater in Andrews Park could be used more frequently. Regular storytelling events would be nice. Minimalist theatrical productions, perhaps put on by students, or poetry readings could be introduced into the mix. You could find local choirs or music groups who might be willing to do volunteer performances. Presentations of this nature could also be hosted at the library in the 3rd floor event space.	2/27/2020 2:05 PM
2	More concerts at Andrews Park	2/24/2020 9:26 AM
3	Block party, free park exercise classes	2/21/2020 11:03 AM
4	arts/crafts fairs, music concerts	2/18/2020 2:17 PM
5	Sports, social gatherings.	2/17/2020 12:30 PM
6	most of it is the activities that the city does, and those at Adams School	2/17/2020 9:50 AM
7	garage sales, block parties, etc.	2/17/2020 8:55 AM
8	Potluck	2/17/2020 12:49 AM
9	Not many. Unless adequate and appropriate seating was available, I would be too uncomfortable to enjoy participating. Most foldable chairs are too low to be comfortable.	2/16/2020 3:37 PM
10	Unsure	2/16/2020 9:13 AM
11	Not sure	2/15/2020 5:39 PM
12	Block party where nieghbors could congregate, more shows/festivals/activites in Andrews Park. There is a strong homeless group that live in Andrews park and my hood, which I am glad they have a place to hang out and go to th library and the warming station which is why Im guessing the city doesn't have more events, so residents don't see the homeless up front	2/15/2020 5:08 PM
13	Park gatherings. Pic nic. Meetings. Music.	2/15/2020 5:04 PM

1	Gosh..where to even begin. We love our neighbors and we really look out for each other. Affordable housing allowed us to but our first home that we adore. The neighborhood is somehow very quite for being in the middle of town and we walk EVERYWHERE. We are so excited to see how our neighborhood developes. We have quite a bit of land and plan to do significant renovations and expand our property. Having a sense of ownership in a town we love have been really life changing and a MASSIVE blessing.	3/1/2020 7:50 PM
2	Living in the center of Norman reduces driving time as I can get almost anywhere in town in less that 10 minutes. I like being close to the library as well as nearby parks. I like taking walks around the university area and visiting the Fred Jones museum.	2/27/2020 2:05 PM
3	I LOVE the location. Being close to everything on Main Street, the public library, the park, the high school, I-35, and walking distance from OU. I like that the police are close by and drive through regularly. It's generally pretty affordable for how great the location is. Also I like watching the trains.	2/25/2020 12:50 PM
4	Its small and the neighbors always look out for you.	2/24/2020 9:26 AM
5	The people that live here are quiet and are respectful of each other and our space I also like that most of our neighbors own their homes. I also love being close to the library, Andrew's park and the police station.	2/21/2020 6:27 PM
6	How close we are to the park, library, and police station. The walk-ability to downtown and other areas of Norman. How close we are to the trail.	2/21/2020 11:03 AM
7	central location	2/18/2020 2:17 PM
8	Close to OU and Andrew's Park, so it is easy commuting to campus.	2/17/2020 12:30 PM
9	security	2/17/2020 9:50 AM
10	It is quite, quaint, safe, and enjoyable.	2/17/2020 8:55 AM
11	Safety, neighbors look out 4 each other	2/17/2020 12:49 AM
12	It's quiet because the streets go through to nowhere. Most traffic is the residents and their guests.	2/16/2020 3:37 PM
13	central location, dead end street	2/16/2020 10:18 AM
14	It's quite, the houses and location.	2/16/2020 9:13 AM
15	My neighbors and the location.	2/15/2020 5:39 PM
16	Its proximity to everything downtown, the library, the park, post office and can ride my bike most places around town. Also, they re did the streets so the fronts of all our houses don't flood anymore as they have for the past 20 years.	2/15/2020 5:08 PM

1	We have heard about people having things stolen from their porches and backyards but we have not had any issues at our home.	3/1/2020 7:50 PM
2	What stands about to me the most is the lack of trees on my particular street, N Base Ave, and along Main Street . Also, I tend to not be inclined to go for walks around the downtown section of Main Street due to the number of homeless people.	2/27/2020 2:05 PM
3	People don't go out of their way to get to know each other. I realize i'm part of the problem, but it doesn't seem like something people welcome.	2/25/2020 12:50 PM
4	I like the diversity of the neighborhood.	2/24/2020 9:26 AM
5	The rental properties and the homeless population at the park	2/21/2020 6:27 PM
6	How fast cars come through. We are on a street without bumps and it is used to cut through to University. When homeless people camp in the buildings in the park and don't move on in the daytime. There is a fair amount of petty crime with porch pirates and cars getting riffled through.	2/21/2020 11:03 AM
7	proximity to busy street	2/18/2020 2:17 PM
8	There is always noise because the train and traffic. It can be difficult to walk around because there are no sidewalks.	2/17/2020 12:30 PM
9	sometimes there is leaf litter on the streets and the streets look very dirty, another thing that not on all the streets there are no stools to walk and the children are in danger when they go to the parks.	2/17/2020 9:50 AM
10	The wind blowing trash around and not getting picked up.	2/17/2020 8:55 AM
11	Noise	2/17/2020 12:49 AM
12	I hate the parking nightmare when Adams Elementary has an evening function. There is no parking for parents except on the streets surrounding the school. I've come home and had to be extremely careful not to hit the car on either side of my driveway as I turned in. I finally put two boulders in the yard at the end of my driveway because people use it to turn around, but they're not careful to stay on the driveway. I have major ruts and depressions in my yard.	2/16/2020 3:37 PM
13	rental properties	2/16/2020 10:18 AM
14	People parking on both sides of the street.	2/16/2020 9:13 AM
15	No sidewalks, inadequate lighting and frequent power outages.	2/15/2020 5:39 PM
16	That west side residents purchase houses and turn them in to Rent houses and or Air B and B's. Essentially operated commercial activity in the neighborhood. You can't have a business in the Neighborhood, but you can if its a rental or air b&B, this has always baffled me. This leads to perception of my neighborhood as a blighted, only good for rent house, handicapped and homeless. Also, the Street lights are just telephone poles with lights instead of the lights they have on the historic districts to my south in Ward 4. Again, most of the money from the city goes to the area of Ward 4 to my south with historic districts as the prime beneficiary and the property owners benefits with a better feeder school, better streets, etc. The lamp Posts are a reminder to me of how little the city cares about my area.	2/15/2020 5:08 PM
17	Standing water in the park. Busted side walks	2/15/2020 5:04 PM

1	I would say that more tree plantings are needing. Each section of the neighborhood ( or really the whole town ) looked at an evaluated for how green it is. I heard the city is already planning to do some work on Andrews park so I won't mention it. More tree planting around Norman High, particularly along the street would be a good place to start. Public art always adds to a sense of vitality. I think there's a lot of opportunity for adding new murals and sculptures. Better initiatives for affordable housing and addressing homeless are needed. This is a more in depth topic but simply put, people will become less inclined to visit parks and local businesses if presence of homeless continues to increase.	2/27/2020 2:05 PM
2	Cutting, removal of dead trees is critical! Helping with home repairs/windows, painting, landscaping. Curb appeal! Park improvements. More trash cans along trail and seating. I would also like to see an emergency phone along the trail.	2/24/2020 9:26 AM
3	a community organization for the neighborhood.	2/21/2020 6:27 PM
4	More sidewalks, a few more streetlights, speed bumps on streets between Flood and University, making sure the lights are on in the park after dark, a crosswalk on Acres from the park to the library a lot of people cross right in front of the library where there is an opening in the fencing.	2/21/2020 11:03 AM
5	Bike lanes	2/18/2020 2:17 PM
6	Sidewalks.	2/17/2020 12:30 PM
7	I'd like you to place more sidewalks, space for the whiteies and luminaire in the streets because at night the streets are very dark	2/17/2020 9:50 AM
8	Cars parked the wrong way on the street, and brighter street lights.	2/17/2020 8:55 AM
9	Not sure	2/17/2020 12:49 AM
10	Parking lot for Adams Elementary. I'd move the playground equipment further into the park and extend the blacktop area so that gate can be opened for parking to get the cars off the street. I'd also widen the streets. When cars are parked on both sides of the street, it's dicey getting the school buses through. Sidewalks would be nice.	2/16/2020 3:37 PM
11	sidewalks, better lighting at night	2/16/2020 10:18 AM
12	Fixing up the houses, it's starting but a slow process	2/16/2020 9:13 AM
13	sidewalks, improvements to the one park we have, improved street lighting.	2/15/2020 5:39 PM
14	The lampposts and NOT I repeat NOT putting in Sidewalks. PLEASE DON'T PUT IN SIDEWALKS. one redeeming quality of this neighborhood is the trees, that since the road was redone now would be in the way of future sidewalks. The tearing down of the tree canopy would be devastating to the neighborhood and all for sidewalks that nobody will use. NO SIDEWALKS because the property lines aren't as deep as other areas and would take up a majority of the front yards an look terrible. The city put in a new driveway thats is too big for the driveway they required me to have and failed to fix it. It looks terrible, a Sidewalk would suck even more	2/15/2020 5:08 PM
15	Better side walks. More mixed use.	2/15/2020 5:04 PM

1	I have ties with the immersive arts group Factory Obscura which is based in OKC. They have a particular interest in community engagement and would probably be interested in doing something in Norman. I could reach out to them for you or you could contact them directly. I also know another group of artists that is planning to develop immersive art installations for Norman, but this is still in the early stages.	2/27/2020 2:05 PM

5	I'd just like to have the Adams school helped to fix their park so we can go play there, and also the school stool because they're very damage.	2/17/2020 9:50 AM

8	It's going to be a challenge to improve this neighborhood. On my street, there are a number of houses that are rentals. The house next door to mine has a revolving door. Tenants care far less for the look of the neighborhood than owners.	2/16/2020 3:37 PM

11	Yes, I would like to advocate for the trees in my neighborhood and the lampposts. I figure that is one thing that the city council could get behind. Also a school crossing at Lahoma and Acres and one at Highland Parkway and Flood for the new Library . My son rode the bus and nobody slowed down, the police cars haul ass down acres and west side moms in sun's checking on their rental properties speed by with no and for students getting on the bus. And there is no crossing. For other schools such as McKinley, Truman there are places for crossing, but not for the Adams kids. Just some signs and maybe paint the road and put up a light. Simple stuff that makes too much sense for someone to actually do.	2/15/2020 5:08 PM
