SUBJECT: Consent to Encroach No. 1314-7
Lot 7, Block 1, Brookhaven on Main Addition, Section 2, a PUD
245 Olde Brook Court

Public Works/Engineering staff does not oppose the encroachment of a swimming pool located within a seventeen-foot (17') utility easement. We do yield to the Utilities Department regarding any possible City owned utilities that might be located within the easement. Responses from the utility companies are included except Cox Communications. Ample time has been given for their response. The City and /or utility companies should be held harmless in the course of maintaining their utilities if located within the utility easement.
