Removal of Asbestos Containing Materials (ACM's)  
For the City-owned structures located at 115, 119, and 121 West Acres Street  
For the New Central Library Project

<u>Contractor</u>	<u>Quote</u>
Environmental Action, Inc.	\$37,924.00
Delta Environmental Services, Co.	\$44,620.00
Tec-An, Inc.	\$39,300.00

RECOMMENDATION: That Environmental Action, Inc. be approved for the removal of Asbestos Containing Materials (ACM's) from the three structures located at 115, 119, and 121 West Acres Street prior to demolition of the structures to make way for the new Central Library location as part of Norman Forward. Funds are available from the Norman Forward Fund Balance (note proceeds) (051-0000-253.20-00) and designate those funds to Library-New Central Branch Construction (account 051-9507-455.61.01; project NFB016).
