RE: Proposed Ordinance to permit "Live Music Outdoor" by Redrock Canyon Grill Restaurant

Dear Planning Commission members:

In response to your "Notice of Request for Rezoning" letter to property owners within 750 feet of Redrock Canyon Grill(RCG) we are writing as homeowners at 3105 Windward Ct to register our protest to allowing Redrock Canyon Grill(RCG) to play outdoor live music at their premises. Once again we do not want live outdoor music performed outside RCG.

We object to this for the following reasons:

1. Families in our neighborhood and others impacted by this proposed outdoor music have children of all ages(elementary through high school). These children need to be in bed early in the evening on school nights. Loud outdoor music will keep them from getting to sleep and possibly awaken them(and their parents) from sleep. This should not be permitted.

2. For good reason we have noise restriction ordinances in Norman. The following is from Article III-NOISE CONTROL of the City of Norman Code of Ordinances:

"Sec. 10-301. - Declaration of policy. Whereas, the making and creation of excessive, unnecessary or unusually loud noises within the limits of Norman, Oklahoma is a condition which has existed for some time and the extent and magnitude of such noises is increasing; and Whereas, the making, creation or maintenance of such excessive, unnecessary or unusually loud noises which are prolonged, unusual or unreasonable in their time, place and use affect and are a detriment to public health, comfort, convenience, safety and welfare of the residents of Norman, Oklahoma; and Therefore, the necessity in the public interest for the provisions and prohibitions hereinafter contained and enacted is declared as a matter of public policy, and the provisions and prohibitions hereinafter contained and enacted are in pursuance of and for the purpose of securing and promoting the public health, comfort, convenience, safety, welfare, and the peace and quiet of the inhabitants of Norman, Oklahoma."

In short, live outdoor music at RCG will be a detriment to the public health, welfare, and peace and quiet of the affected residents of Norman, Oklahoma.

3. Presumably RCG wants to provide live music for the enjoyment of their customers. This can be accomplished by providing the live music inside the restaurant. Permitting the live music to be played outside the restaurant compels multitudes of Norman citizens to listen to music they don't want to hear. This is an invasion of privacy which should not be allowed.

Thank you very much for your consideration of our concerns. Redrock Canyon Grill is a welcome part of the Norman community. We just don't want them performing live outdoor music.

Sincerely,

William J. Kennedy Pamela K. Kennedy
