Greetings Friends!

We at Antioch Community Church would like to thank you for how you are helping to serve and love our city. Our communities face several challenges, but hope rises in the form of those who are committed to providing solutions. We are taking this opportunity to recognize and support those, like you and your organization, who have dedicated their time and their lives to making a difference for the less fortunate and those often overlooked. Please receive this monetary gift to help your mission of changing lives and building bridges of hope.

Regards,

Clarence Hill, Jr.
Lead Pastor
