Re: Lakehurst Drive Drainage Improvements (1819-8)
(Cardinal Engineering Project No. CONC171700)

Dear Carrie,

On Thursday, the 29th of November 2018 at 2:00 P.M., four responsive bids were received and publicly opened at the City of Norman's city hall for the Lakehurst Drive Drainage Improvements. The four bids received are listed below with the apparent low bidder listed first.

| Contractors | Base Bid |
|--|--------------|
| Central Contracting Services, Inc. Norman, Oklahoma | \$64,870.00 |
| Cimarron Construction Company Oklahoma City, Oklahoma | \$112,047.00 |
| MTZ Construction, Inc. Oklahoma City, Oklahoma | \$99,752.75 |
| Redlands Contracting Warr Acres, Oklahoma | \$132,382.00 |

Central Contracting Services, Inc. of Norman, Oklahoma was the apparent responsive low bidder. We have reviewed their bid proposal, with all items checked for correctness in their extensions and additions. Based on the review and references called, we find Central Contracting Services, Inc. bid and qualification to be competent to complete the project according to the construction documents.

Therefore, Cardinal Engineering recommends the award of contract to Central Contracting Services, Inc. for their low bid of \$64,870.00.

Should you or your staff have any questions please call.

Respectfully submitted,

William R. Swain, P.E., P.L.S.
Senior V.P., Cardinal Engineering, LLC
