

GROUP F: DEMCO

PART 1 – GENERAL

SCOPE

Work includes materials, delivery and installation.
Furnish and install all furnishings as specified herein.

SUBMITTALS

Product data: Manufacturer's descriptive literature shall be submitted, indicating materials, finishes, construction and installation instructions, and verifying that product meets requirements as specified.
Manufacturer's recommendations for maintenance and cleaning shall be included.

Samples: Submit samples of each exposed finish, fabric and leather (which will be used for actual production) to Interior Designer for verification and approval prior to ordering.

QUALITY ASSURANCE

Supplier: The manufacturer, subsidiary or licensed agent shall be approved to supply the products specified, and to honor any claims against the product presented in accordance with the warranty.

Installer: The installer or agent shall be qualified to install the specified products by prior experience, demonstrated performance and acceptance of any requirement of the manufacturer or any subsidiary or licensed agent. The installer shall be responsible for an acceptable installation.

DELIVERY, STORAGE AND HANDLING

Product shall be delivered to the project site in manufacturer's original packaging.

Product shall be handled and stored to prevent damage to materials and finishes.

PART 2 – PRODUCTS

Substitution requests: Burden of proof that proposed substitutions shall be equal in quality and function to the specified product is on the Bidder.

Acceptable manufacturers: Demco or approved equal.

LAMINATOR CART STAND

Construction: The laminator cart stand shall be constructed with durable particleboard and laminate exterior that protects the unit from peeling, scratching and other damage.

Storage: The storage cabinet shall be provided locks and the storage shall be able to store laminators up to 35 inches wide and 200 pounds in weight. The pull-out extension shelf shall be provided.

Base: The 4 swivel casters base shall have at least 2 lockable casters.
