Dear Chief of Police:

Based on records maintained in this office, the attached list of equipment purchased with traffic safety funds has reached its estimated life expectancy, and has now been fully depreciated in the Oklahoma Highway Safety Office records and accountability ceases. Your equipment records should be appropriately noted. The equipment must continue to be used in traffic safety related activities. Disposal of any and/or all of the equipment listed should be in accordance with law/ordinances governing disposal of property by your agency.

If you have any questions, please contact Elizabeth George at (405) 523-1587.

Sincerely,

A handwritten signature in black ink, which appears to read "B. Baker", is positioned above the typed name of the sender.
