Re : Correction of Plat
Bellatona Addition Section 1
Norman, Oklahoma
SMC #5581.01

Dear Mr. Danner,

Please find enclosed a Correction of Plat for Bellatona Addition Section 1. Per our earlier discussions, this is to correct a drainage easement that was incorrectly shown on Lots 5 and 6 of Block 1. This easement was leftover from the original Preliminary Plat that was designed by another engineer and should have been removed when SMC changed the design of the project. This correction removes the easement from the plat.

Sincerely,

SMC Consulting Engineers, P.C.

Christopher D. Anderson, P.E.
