Subject: Consent to Encroach - 1819-5_5220 Montrose Circle

Ken:

Jack Burdett send AT&T an e-mail regarding the request for consent to encroach the utility easement at 5220 Montrose Circle to extend the covered patio at this address once renovation is completed. AT&T does not have an issue with the encroachment as long as it does not interfere with access to our pedestal addressed 5220 at this same location.

Please let me know if you need any other information.
