RE: 38 Kw Generator replacement

Faith Electric, Inc. proposes to furnish and install the following:

1. 38kw Generac generator with 1-400 amp Transfer Switch.
2. Labor and Materials required to connect the generator to the electrical system.
3. Labor and Materials to tie generator to the gas line.
4. Engine Block Heater
5. Precast concrete pad.
6. Norman City Permits

The Cost for the above installation will be \$28,608.00

The Cost for a 10-year Generac warranty is \$1,395.00 not included in bid quote.
Maintenance cost is \$395 odd years, \$549.00 even years.

This generator has a standard 2-year labor and 5 year limited parts warranty from Generac.

This installation is a replacement for the existing generator and transfer switch. This generator will supply the full building. Sizing based upon OGE supplied highest peak demand of 27kw, which occurred July 2018.

Thank you for giving Faith Electric, Inc. the opportunity to provide for your generator needs. Feel free to call the office with any questions.

Sincerely,
Larry Admire
