Re: Recommendation of Award
WW0278 Summit Valley Interceptor
SMC Project No. 6230.00

Dear Mr. Madenwald,

On June 27, 2019, five bids from general contractors were received, opened, and publicly read at the Authority's office in Norman, Oklahoma for the above referenced project. The following were the apparent proposal results :

<u>CONTRACTOR</u>	<u>TOTAL BID</u>
Young Contracting, LLC	\$524,760
Matthews Trenching Co., Inc.	\$579,975
Krapff Reynolds	\$581,757
Jordan Contractors	\$609,595
Cimarron Construction Co.	\$733,000

Young Contracting, LLC submitted the lowest bid, but based upon the information supplied it has been determined that they did not meet the required experience pursuant to the specifications. Therefore their bid has been rejected and the lowest, responsible bidder is **Matthews Trenching Co., Inc.** As a result, we recommend awarding the contract for the following amount :

TOTAL AWARD AMOUNT	\$579,975
---------------------------	------------------

Please place this item on the next available council agenda for consideration.

Sincerely,
SMC Consulting Engineers, P.C.

Christopher D. Anderson, P.E.
