RE: Carrington Place Addition
Preliminary Plat
SMC Project #6339.00

Dear Planning Commission:

As agent for the applicant, we respectfully request a waiver of the alley requirements for Lot 2, Block of the above referenced addition in accordance with Section 19-402 of the City of Norman. The plat has large tracts that can be designed adequately without the use of an alley. All utilities, emergency access, and fire protection will be provided and identified without the use of an alley.

Please accept this request and grant the alley waiver.

Sincerely,

SMC Consulting Engineers, P.C.

Christopher D. Anderson, P.E.
