

A RESOLUTION OF THE COUNCIL OF THE CITY OF NORMAN, OKLAHOMA, APPROVING A NEW PROJECT (BP0481), 12TH AVENUE S.E. AND SAWGRASS DRIVE TO BE INCLUDED IN THE 2016 STREET MAINTENANCE BOND PROGRAM AND TRANSFERRING \$90,922.05 TO THE NEW PROJECT ACCOUNTS.

- § 1. WHEREAS, there is a short section of 12th Avenue S.E. south of East Cedar Lane Road near Sawgrass Drive in Cobblestone Creek III Addition in need of drainage and paving improvements to tie into existing and proposed improvements on both sides of the section; and
- § 2. WHEREAS, deferral funds were required for these improvements in Cobblestone Creek III Addition; however due to the age of the development and the narrow frontage on 12th Avenue S.E., the deferral funds collected at the time are not adequate to complete the project and it was not anticipated at that time that underground storm pipelines would be included; and
- § 3. WHEREAS, there is a contractor onsite installing storm pipelines for Sage Cobblestone Creek Addition directly south and the contractor doing the work provided a quote in the amount of \$49,940 to complete the grading and drainage improvements; and
- § 4. WHEREAS, timing is critical for this since the other storm improvements are underway and waiting may eliminate the savings by using the on-site contractor; and
- § 5. WHEREAS, Staff is recommending approval of a new project location at 12th Avenue S.E. & Sawgrass Drive to be added to the 2016 Street Maintenance Bond Program as Project BP0481.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NORMAN, OKLAHOMA:
