Warranty and Liability

For new installations, GPSI warrants its products to be free of defect in materials and workmanship for a period of one (1) year from the date of startup. This warranty is limited to replacing or repairing any defective component at the sole option of GPSI and does not apply to equipment that has been damaged, misapplied or has been modified in any way.

This warranty does not cover damages under the following conditions:

1. Lightning strikes
2. Misapplied or inappropriate in-coming power
3. Improper grounding
4. Vandalism, misuse, or abuse
5. Exposure to destructive gaseous or chemical solutions
6. Pumping water not suitable for the intended application
7. Inadequate maintenance or water quality
8. Exposure to electrolysis, erosion, abrasion, or corrosive elements
9. Blockage or obstruction of the suction line
10. Flooding other than mechanical failure
11. Acts of Mother Nature
