PROTEST

Dear Members of the Planning Commission:

We are submitting a protest against the approval of an special permit for the installation of a Car Wash, or Automobile Service Station in the area located in the SE Corner of 36th Ave NW and Prairie Creek.

As residents of this neighborhood, we don't need a new carwash as we already have two similar businesses located very close, and another car wash will just increase unwelcome traffic, noise, lights, and concerns about property value, image, safety, and environmental issues.

This is our honest opinion, and we wish you will give it your freest respect and consideration.

Respectfully,

Alvin Beaton
Prairie Creek Resident
Norman, Oklahoma
June 2021.
