Regarding Agenda Item No. 6, Ordinance O-2122-3  
Special Use Request for Agri-Wedding Event Center

The applicant for the Special Use Request for an Agri-Wedding Event Center at 3400 72<sup>nd</sup> Ave. N.E. has requested postponement to the September 9, 2021 Planning Commission meeting.

Due to residents' concerns, the applicant is getting the site reviewed to possibly modify the location of some of the proposed structures. The applicant plans to submit a sound plan and a new site plan and, therefore, it is not ready to appear on the Planning Commission agenda at this time.
