BACKGROUND: The Streets & Stormwater Divisions' Maintenance Programs utilize inlet frames, grates and curb hoods on a frequent basis in storm system installations. A total of 104 inlet frames, grates and curb hoods were purchased in FYE 2018 at a cost of \$15,375.

DISCUSSION: Bids were sent to eight (8) vendors, and Bid 1819-19 was opened on September 27, 2018, with three (3) vendor bids received for inlet frames, grates and curb hoods. All other bidders chose not to participate. The average unit price of the materials has increased 1% from the 2018 bid price.
