CONSIDERATION OF AWARDED BID 1819-48, GROUP L; APPROVAL OF CONTRACT K-1819-138 BY AND BETWEEN THE NORMAN MUNICIPAL AUTHORITY AND MERRIFIELD OFFICE AND SCHOOL SUPPLY, INC., IN THE AMOUNT OF \$30,047.79 FOR THE PURCHASE AND INSTALLATION OF FURNITURE AND ACCESSORIES FOR THE NORMAN PUBLIC LIBRARY CENTRAL.

BACKGROUND: On 6 October 2015, Norman citizens passed the NORMAN FORWARD Initiative funding a variety of projects through a ½ percent sales tax increase over 15 years. Included in the Norman Forward Initiative was a project to construct a new Central Library Branch, north of Acres St. This Library will also be a Leadership in Energy and Environmental Design (LEED) Certified project, with native plants and grasses incorporated into the landscaping. The Central Library construction has been underway since the June 2017, and is scheduled to open late summer 2019. As the construction progress continues it was timely to move forward with ordering and installing furnishings.

The 80,000 square foot (sq. ft.) Norman Public Library Central will include adult/teen spaces, children's space, a public meeting room with seating for 300, study room, public/staff meeting room, tablet lending services, staff space and public area open seating. This item asks Council to award bids for these furnishings.

Due to bidders having the option to bid any or all groups, bid totals varied, and groups could be awarded individually or in portions. Merrifield Office and School Supply, Inc. is the low bidder for Group L for a contract total of \$30,047.79. The contract includes the products specified in the groups, delivery and subsequent installation of the product, along with a one-year warranty.

Due to the needed lead time to order the furniture included in the bid package in time for the contract delivery date, bids are being recommended for award at this time.

In total, \$2,900,250 was budgeted for furniture, fixtures and equipment (FFE) for the Central Library project. For the groups included in the bid (Groups A - EE), the consultant's estimate was \$922,000. In total (i.e. for Groups A-EE) the bids recommended for contract award total \$839,254.04; \$82,745.96 below the consultant's estimate. Including the interior signage package (\$23,726) and quoted cost for other FFE items being purchased through state contracts and sole-source items, the entire FFE budget will total \$2,294,669.10; \$605,580.90 under the original FFE budget.

Contract K-1819-138 provides for a delivery and installation date within 30 working days; specified as August 1-September 12, 2019, with liquidated damages of \$500 per day should the project not be completed on time.
